March 14th, 2024

## **Deployment of Army Reserve Personnel**

You are ordered to ACTIVE DUTY for disaster control and quarantine measures for the upcoming period of indeterminate length. On completion of the necessitated period of duty, unless sooner released or extended by proper authority, you will return to the place where you entered active duty.

Report To: Joint Quarantine Reserve Unit, Camp Withycombe, Happy Valley, Oregon  
Reporting Date: March 16th 2024  
Attached To: Joint Quarantine Reserve Unit  
Purpose: Quarantinea Establishment and Civil Protection

### **Additional Instructions**

You are attached to the above-mentioned unit and to be assigned to a specific regional task force upon arrival at Camp Withycombe. Upon assignment to task force, you will receive orders from your assigned force commander with further details.

### **Mobilization Background**

As publicly declared by the Surgeon General today, the highly-contagious VT4 disease has swept the country. Your task will be to aid in establishing quarantine and protect civilians. Further medical personnel is being mobilized and assigned to the Joint Quarantine Reserve Unit.
